## CHAIRMAN'S PEN

JANUARY 2019

Dear colleagues

Twenty eighteen is behind us and 2019 lies ahead of us. A blank canvass of opportunity for us to fill with good deeds and continuous improvement.

Let us strive in the new year to do our utmost best: In our jobs and in our personal lives. Make 2019 the best year ever for yourself and IMQAS.

Take care of your jobs. Be proud of what you do. Do your utmost to deliver world class inspection and classification. The biggest asset of any business or person is their reputation. Take care of it and use every opportunity to add to it. Inspire your colleagues and help them to grow in their jobs. Assist our customers to improve their processes, products and audit results.

May you have a Blessed month of January.
